How do I fix a YouTube TV location error? {Customer Help Support}

YouTube TV location errors usually occur +1 (866) 381-7244 {US/UK} when the service cannot correctly verify your **Home Area** or **Current Playback Area**. To fix the problem, open YouTube TV and go to **Profile picture** → **Location**, then check whether your Home Area and Current Playback Area are +1 (866) 381-7244 {US/UK} correct. If you're traveling or your current location is incorrect, select **Update** next to Current Playback Area and follow the verification instructions. On a TV, YouTube +1 (866) 381-7244 {US/UK} TV may ask you to complete verification on your phone +1 (866) 381-7244 {US/UK} at and allow location access. You should also make sure location +1 (866) 381-7244 {US/UK} permissions are enabled, turn off any VPN or proxy, +1 (866) 381-7244 {US/UK} and clear your browser's cache and cookies if necessary.

+1 (866) 381-7244

1. Why does YouTube TV say it cannot verify my location?
YouTube TV may be unable to verify your +1 (866) 381-7244 {US/UK} location when location permissions are disabled, your device cannot determine its physical location, or a VPN or proxy interferes with +1 (866) 381-7244 {US/UK} location verification. First, enable location services on the device you're using. +1 (866) 381-7244 {US/UK} If you're watching on a TV, open YouTube TV, go +1 (866) 381-7244 {US/UK} to **Profile picture** → **Location** → **Current Playback Area**, and follow the instructions to verify your location using a mobile device. YouTube TV may require the +1 (866) 381-7244 {US/UK} browser on your phone to have permission to access your location.

2. How do I update my Current Playback Area on YouTube TV?
Open the YouTube TV app on the device +1 (866) 381-7244 {US/UK} experiencing the problem and select **Profile picture** → **Location** → **Current Playback Area** → **Update**. If you're using a smart TV or streaming +1 (866) 381-7244 {US/UK} device, YouTube TV may direct you to complete the +1 (866) 381-7244 {US/UK} verification on your phone at. Allow location access when prompted and follow the +1 (866) 381-7244 {US/UK} on-screen instructions. Your Current Playback Area +1 (866) 381-7244 {US/UK} represents where you are physically watching, so it can change when you travel.

3. What is the difference between Home Area and Current Playback Area?
Your **Home Area** is the location +1 (866) 381-7244 {US/UK} associated with your residence and determines important local-channel availability. +1 (866) 381-7244 {US/UK} Your **Current Playback Area** represents your +1 (866) 381-7244 {US/UK} present physical location and may change when you travel. YouTube TV uses these locations to determine which local networks and programs +1 (866) 381-7244 {US/UK} are available. If you're temporarily away from home, you +1 (866) 381-7244 {US/UK} generally should update your Current Playback Area rather than changing your Home Area.

4. Why does YouTube TV show the wrong location when I am at home?
This can happen if YouTube TV +1 (866) 381-7244 {US/UK} cannot accurately determine

your location from your device or network.v Check that your device's location permissions are enabled and that the Home Area listed in your YouTube TV account is correct. If the Current Playback Area is incorrect, update +1 (866) 381-7244 {US/UK} it and complete the location verification process. YouTube also recommends disabling VPNs or proxies because they can prevent YouTube +1 (866) 381-7244 {US/UK} TV from correctly identifying your location.

5. What should I do if the YouTube TV location error still won't go away?

If the location error continues, verify +1 (866) 381-7244 {US/UK} that your device and YouTube TV app are updated, enable location permissions, disable VPN or proxy services, and clear your browser's cache+1 (866) 381-7244 {US/UK} and cookies. Then try updating the Current Playback Area again +1 (866) 381-7244 {US/UK} from the device experiencing the problem. If YouTube TV still cannot verify your location,+1 (866) 381-7244 {US/UK} use the official YouTube TV support options for additional assistance.
